

Brand fonts

Font	File	Use
Inter	Inter-VF.ttf	Headlines and body text
Urbanist	Urbanist-VF.ttf	Company name next to the AIC logo

Both are variable fonts released under the SIL Open Font License 1.1. The license text ships beside each font (Inter-OFL.txt, Urbanist-OFL.txt).

Word and PowerPoint use these fonts only when they are installed on the machine that renders the file. Install both before rendering briefings or templates.

The official logo is branding/AIC_logoWhite.webp, a white mark with "AI" underlined. branding/aic-logo-white.png is a pixel-identical PNG copy of it for tools that cannot read WebP. Do not create, recolor, or crop logos.
